And in My Dream I Say to Them,
“I Am the Infinite Sea,
And All the Worlds Are But Grains
Of Sand Upon My Shore”

—Kahil Gibrian

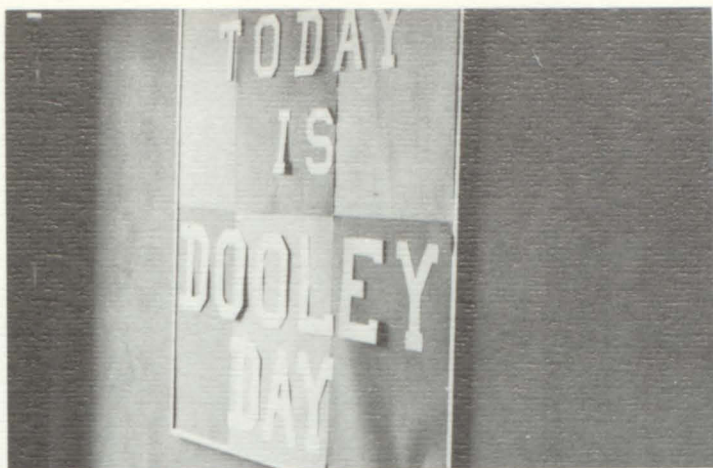

Only the dream will last.
Some distant day
The wheels will falter, and the
silent sun
Will see the last beam leveled to
decay,
And all men's futile clangor spent
and done.
Yet after brick and steel and
stone are gone,
And flesh and blood are dust, the
dream lives on.
-Anderson M. Scruggs

A devoted principal
 A loyal friend
 A trusted and beloved person
 We dedicate this 1972 EL LOBO
 to you
 MR. JOHN A. DOOLEY
 Because we love you.

Writing admits, teaching chemistry and physics, acting as a counselor, and trying to be a full time principal is quite a job. Nevertheless, this is what Mr. John A. Dooley did when he came to Basic High School in 1951.

At that time his plans were to make Basic the best little high school in the west. To accomplish this he set two goals for himself. The first was to broaden Basic's curriculum, the second was to improve Basic's activity program. When asked if he felt his goals were reached he replied, "Goals are never completely reached but I think we came an awfully long way."

Appreciation for what Mr. Dooley has done for Basic

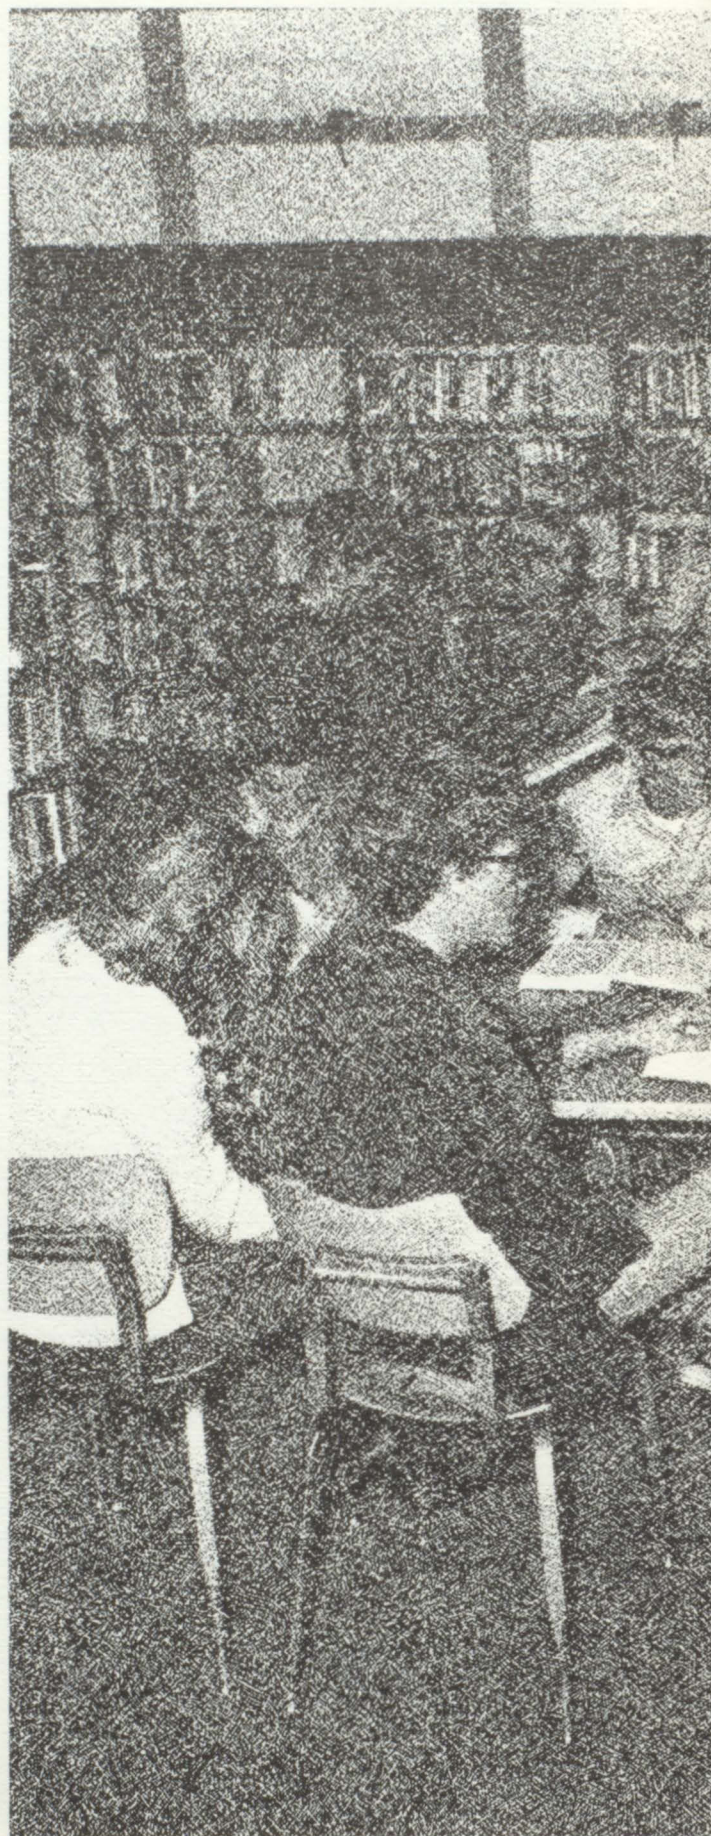

High School was never demonstrated as enthusiastically as on **Dooley Day**. "This is your Life," was the theme of the assembly held in honor of Mr. Dooley. It featured skits, marching routines, music, and reunions between Mr. Dooley and old friends. Climaxing the program was the presentation of a lounge chair from the faculty and a farewell cake from the Student Council.

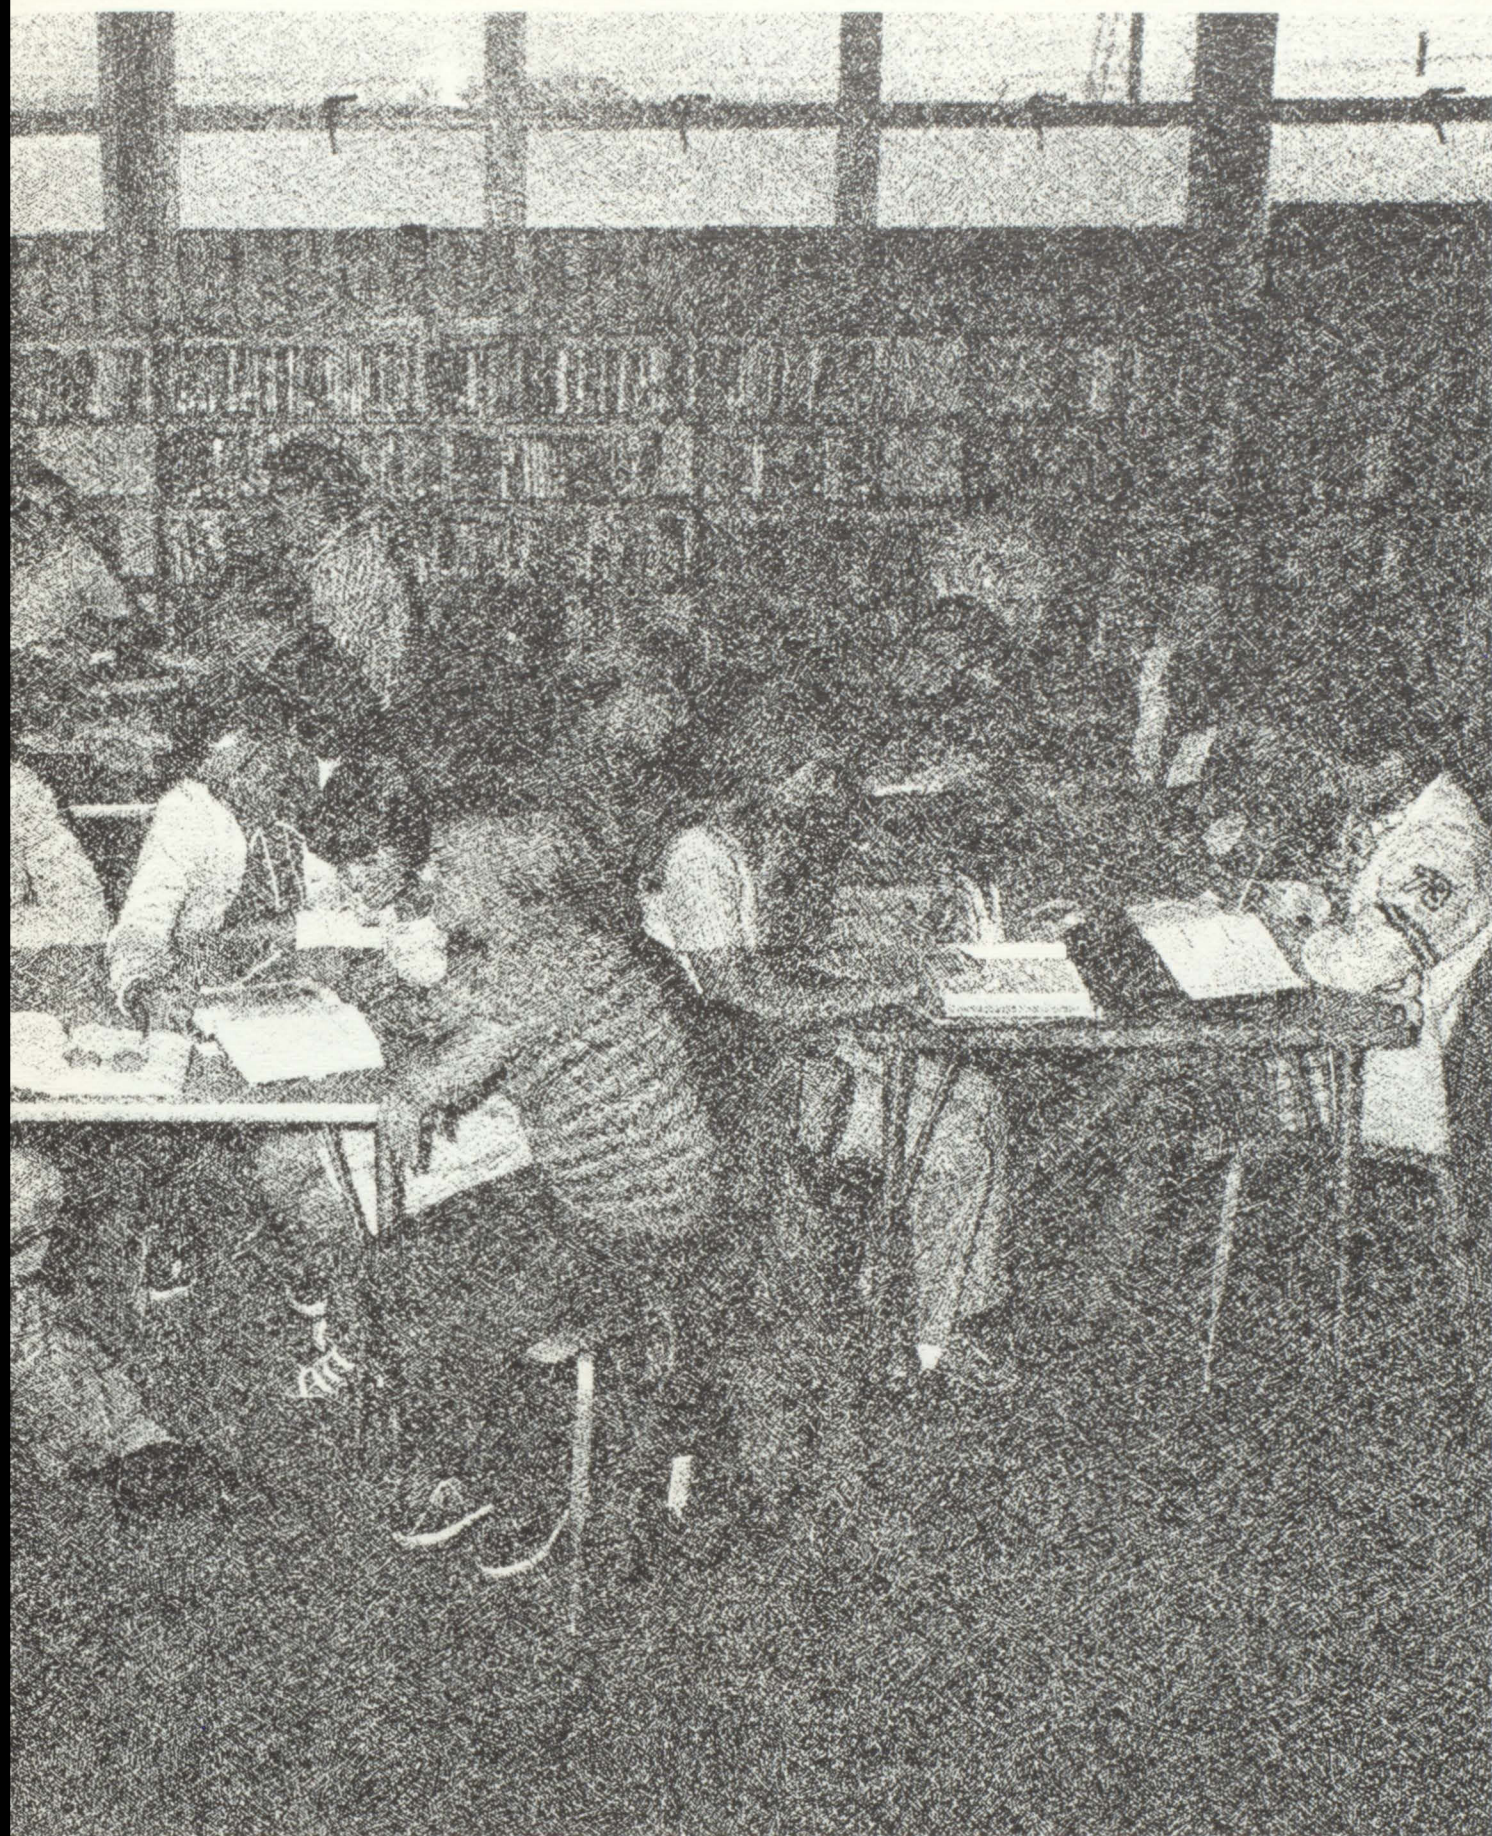

What has been Basic's loss has been the Clark County School System's gain. Now working as a Career Education Curriculum Adviser for all junior and senior high schools in Clark County, Mr. Dooley works to plan the new curriculums for the schools of Clark County. His only complaint about his job is that he misses working with the kids.

Mr. Dooley advises the last graduating class of Basic High School, "Set a goal and don't limit yourself. Every human being needs worthy goals for which he can strive. The worth of your goals will be measured by your personal sense of values. Never underrate your capabilities."

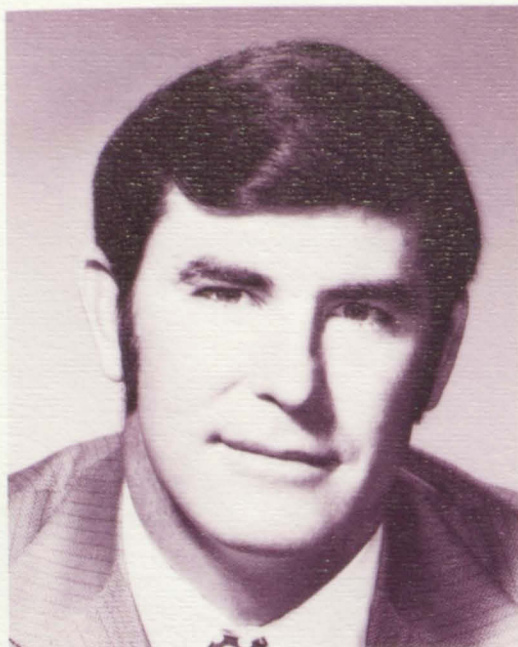

FACULTY AND ADMINISTRATION

Providing a quality education for all students is the dream of every administrative staff. It matters not the obstacles involved, for as each year passes and as each class moves forward, these dreams become realities and visions become accomplishments.

Meeting twice a month, and other times when necessary, the Board of School Trustees formulates policy to meet the everyday challenges of the world through improved education.

The Board also administers the \$59,500,000 bond money for the building of new schools such as the new Basic High School. These new schools insure equal educational opportunities to all Clark County students. The goal of the Clark County School Board is to make available to every student the very finest education possible.

Strong Administration Runs Successful School

Moving Basic High School from the old Building to the new one successfully was the goal of our new Principal, Estes McDoniel. This school has always been a part of Mr. McDoniel's life. For this reason when he became Principal there was no difference in his feelings toward Basic. The only change for him was the added responsibilities as principal. Mr. McDoniel observed, "I have noticed a change in the general attitude toward me this year. It's friendlier."

Directing the move to the new high school building was Mr. Don Smith, Assistant Principal.

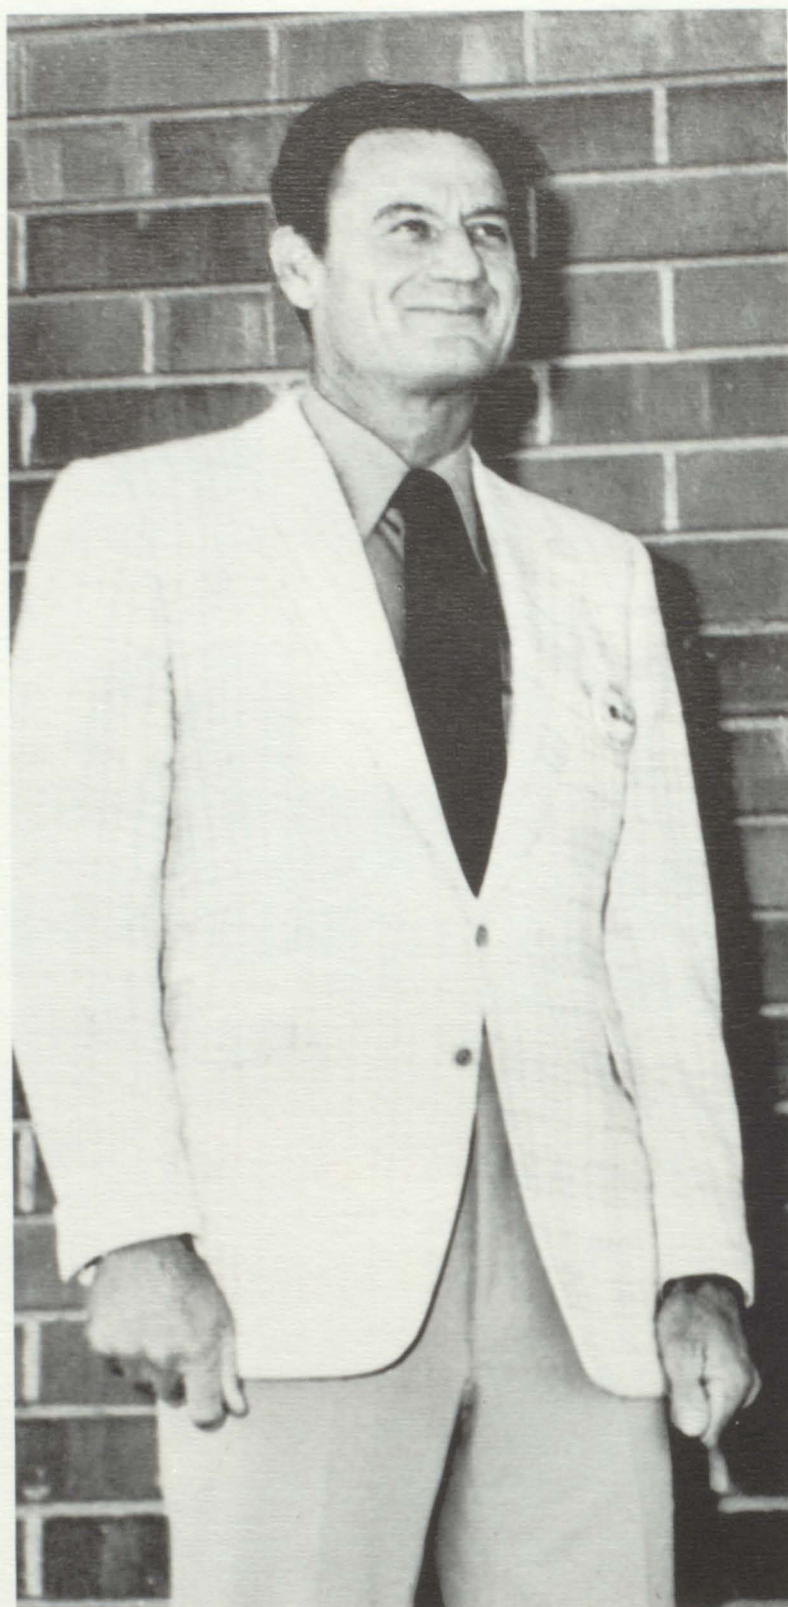

Bringing new concepts with him from his recent position in Ohio is Mr. William Rohnkol, Assistant Principal. When asked what he thought of Basic High School he replied, "Basic is a nice-sized school and the people are honest and very down-to-earth."

In charge of discipline and student affairs is Dennis Rosch, Dean of Students. Mr. Rosch commented, "I enjoy my work very much. The students here at Basic are more mature and because of this we have fewer problems."

Filling out receipts for driver's education, towel fees, parking spaces and activity cards; writing admits; letting dimeless kids use their telephone instead of the pay telephone; making announcements; taking care of cuts and bruises when the nurse is away; keeping records of everyone who is absent, and typing up everything from the detention list to memos for the principal are just a few of the jobs tackled by the secretaries. No problem is too difficult for the ever-smiling and efficient office staff of Basic.

Hurtling downward, the glass beaker hit the ground and broke into a million pieces. Following the crash was an anguished cry from the unlucky holder of the once precious beaker. STUDENT LIFE

Today's dreams slip silently into yesterday, some fulfilled and some lost to another time. Yet, each student sees ahead the tempting mists of the future where greater goals and more beautiful dreams await the efforts of another year.

Decision Makers for Basic

Our first big project of the year was the Homecoming Dance. The theme was "Hail Basic High School", since this would be the last year at the old Basic High School. The dance was very successful, especially because we won our first homecoming game in quite a long time.

We sponsored a Christmas Week before school let out for vacation. We sold candy canes and played Christmas

music between classes.

Some of the Council members participated in the March of Dimes Walkathon. They walked for 20 miles to support and help handicapped children.

We also sponsored a Student Council vs Faculty basketball game. It turned out to be lots of fun and was also a great money-raising project.

JUSTICES are Shelley Leggett, Shanna Ross, Eileen Leavitt, Andrea Clow, Ann Haggard, Debbie Murdoch.

In the United States system of government there is a Judicial Department. The same is true for Basic High School. Its judicial department is comprised of the Supreme Court Justices. They were appointed by Student Body President, Bob Anderson.

When a member of Student Council violated rules or standard procedures, he went before the justices and pleaded his case. It was the duty of the Justices to say whether or not this member be allowed to remain on the Student Council.

Outstanding Scholars

Under the supervision of Mr. Rosha, National Honor Society presented an entirely new program to the scholastic leaders of the world. As a means of accomplishing this, the officers held regular meetings in which the members could participate. There were special speakers at a few of the meetings.

The Society also participated in the Kwanis Bowl, a competitive debate to which every Honor Society in the schools of Clark County sent representatives.

The American Field Service, a new chapter of the foreign exchange program, worked actively to become an integrated part of Basic High School.

To promote the A.F.S. program, many activities were initiated. One was a sale of cookies made from the original recipes of the countries.

The B.H.S. chapter of the A.F.S. anticipated that one or both of its two top applicants, Bob Swackhamer and Judy Reid, would be chosen for overseas study, either during the school year or the summer.

Computer— A Modern Brain

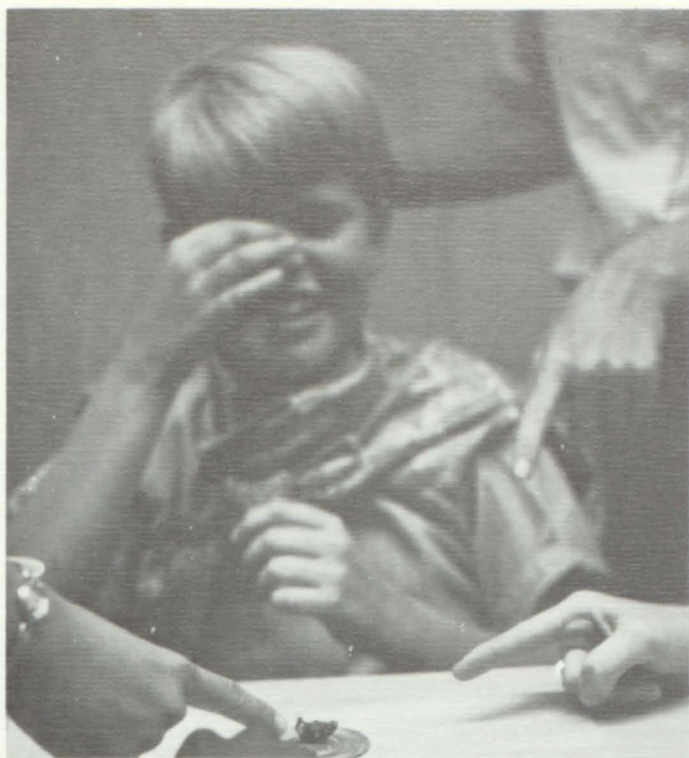

Fortran furthered their knowledge of the intricacies of today's modern computers by visiting them on various field trips. The highlight of one of these field trips was a visit to the Vocational Technical School. While there members of Fortran pitted their skill and knowledge of the game tic-tac-toe against Vo-Tech's computer. They also played the slot machine and baseball with the computer. As was expected the computer triumphed over Fortran's members in every game.

Reminding the older members of how bad they felt when they had been initiated did not help the new members one bit during their initiation into the club. As always, it provided the older-but-wiser Fortran members some amusing memories to take with them over the summer holidays.

The Language of Love

What is it that has all the visual and taste delights off a dirty rubber eraser? Just ask a French Club initiate and he'll reply, "Escargots." Of course, they were unadorned canned ones, rather than the gourmet French variety in herbed garlic butter or tomato sauce. Once our new members had eaten their snails, they were sent on a scavenger hunt for French items like roquefort and pommes.

The entire group also enjoyed a Christmas potluck party with the Spanish Club.

Programs on French art, music, literature and culture were worked into the annual activities, along with purely social affairs like movies and picnics.

From Tacos to Culture

The initiation of Peons was the club event of the year. Each Peon's Patron told him what he had to do and wear to school and to the initiation party. In addition to this, each Peon had to know the club's name, colors and motto. He had to be able to sing "Un Raton" to the tune of "Three Blind Mice," and say the Pledge of Allegiance in Spanish.

At the annual Christmas party, held with the French Club, we sang Christmas Carols and broke a pinata filled with all sorts of goodies.

Our election of officers was held at the end of the year social.

Our club also sponsored the trip to Saltillo, Mexico, where we learned to haggle with the shopkeepers over the price of their wares.

Explorers of Spanish

Aristocrats is a club for students who want to enrich their Spanish and who also enjoy eating.

Each month the Aristocrats met at a member's house to have a Mexican style dinner. Between enchiladas, tostadas, and tacos, the students conversed with each other in Spanish.

During the first meeting, we were fortunate enough to have special guests from Mexico who sang some old and new Spanish songs. In return, the club members presented the guests with their version of the traditional Spanish class song, "Queenie."

This was just one way that the students experienced an exchange of the American and Mexican cultures.

Nature Lovers

Composed of sophomores, juniors, and seniors, the Biology Club was involved in the further studies of living things.

Instead of learning about the world around them from Biology books, they decided to get out and see animals, reptiles and other living creatures in their natural habitat, therefore the club participated in several interesting field trips. They visited Mount Charleston, Lost City Museum, and the Valley of Fire.

These trips could not have been possible without the time and effort of their advisers Mr. Wilke and Mr. Huffman.

Seeking Out Treasures

Have you ever seen beauty emerge from a seemingly ugly rock? This is what the members of Gem Club learned to do.

They first identified the rocks by checking for the texture and structure, color, acid test for its mineral content. Minerals were identified by their luster, hardness, color, streak, cleavage, fracture and specific gravity.

Most of their specimens were found right around the school. Others were found in the surrounding mountains.

After finding and identifying the rocks and minerals, the members set about revealing their true beauty. This was done by carefully cutting and then polishing them.

Nourishing breakfasts were served to members of D.E.C.A. during their meetings at the Eldorado Club. Usually these meetings were accompanied by a guest speaker.

D.E.C.A. sponsored "Boss for a Day". Not only did they get out of a day of school but they had the opportunity to get an inside look at the jobs of our city.

During March, the best from D.E.C.A. attended the annual State Convention. We were especially proud of Bill Downey who served as the state president during the year 1972.

Safety Council is an organization which promotes traffic safety within our school and community.

Every year they go to the elementary schools and present a Halloween Safety Program. Through this program they showed the elementary students how to be more cautious while crossing the streets on the night of the Goblins.

In November they posted speed limit signs in the parking lot and painted the chain posts at the entrances and the light poles with florescent paint. They also painted the school crosswalks.

In December they staged their annual safety check. Each car on campus was checked for proper mufflers, steering, headlights, turn signals, tires and horns. The students were also asked whether or not they wore seatbelts.

The year was topped off with the annual banquet for members of Safety Council.

Sponsored by Mr. Cooke and Mr. Smalley, the Masque and Gavel Club staged the all-school play, a speech and drama meet and a trip to Reno for the State Forensic Tournament.

In the Speech and Drama meet held at Basic High School, members of Masque and Gavel placed second in commentary, second in improvisations and third in humorous monologue.

The Masque and Gavel Club participated in drama and forensic activities and scholastic debate. Drama activities are improvisations and men's and women's character acting. Forensic activities are oratory, humorous monologue, expository, extemporaneous speaking, radio and television commentary and men's and women's oral interpretation.

Year's History of BHS

"We've got to get busy or we're not going to meet the next deadline", is a familiar statement heard in room 37 during early bird.

Watching a 240 page yearbook evolve from just mere slips of paper, is a fascinating experience for the members of the El Lobo staff.

We began with the thumbnail sketches, which were transposed onto dummy sheets. These sheets are a mock-up of our yearbook. After being checked by first the editor then the adviser, 3-R layout sheets were made. These, along with pictures and copy were sent to our yearbook company where they were printed in final form.

Sounds easy, but we forgot to tell about the hours it took to print pictures, type all the copy, correct mistakes, identify pictures, draw layouts and proofread everything.

Overall we learned self-discipline, how to keep our cool under the pressure of a deadline and how to work with others.

We hope you enjoy reading the yearbook as much as we have enjoyed producing it.

Business Manager Kris Augspurger writes a receipt for one of our loyal advertisers with the help of Ty Dalton.

The Best in BHS News

The hardest lesson of all to learn is the meaning of the word "deadline" as the Lone Wolf Staff worked to put out a newspaper every two weeks.

Some of the colorful terms are easier. For instance, "etaoinshrdle" is a pi line the typesetter uses and the "morgue" is a place to keep things which are still alive, while the wastebasket is for those things that are dead.

The meaning of ad sales became obvious this year when the Staff saw how much better the special issues printed off-campus looked compared to those printed at school. The copy may be the same, but the appearance of the final product is very important.

Through it all the staff remembered that every Basic student hoped to see his name and face in print.

Youth Speaks Out

Southern Nevada's daily morning newspaper once again hosted its annual Sun Youth Forum at the Las Vegas Convention Center on December 8. The day turned out to be one of the coldest of the year, but weather failed to cool off the heated discussions at this year's event.

Sixty-seven Basic seniors joined nearly 700 other Clark County twelfth graders as they discussed everything from the Cold War to abortions, from obscenity to compulsory public education, and they even took on state and national politicians and the manner in which they administer various levels of government.

The day began for the seniors before the sun came up as the bus for the Convention Center departed at 6:00 a.m. The day ended after the sun had crossed the southern Nevada horizon and set behind the Charleston mountains.

A concert by guitarist B.B. King capped the day.

Government in Practice

The American Legion and the American Legion Auxiliary sponsored six boys, and four girls to go to Boy's and Girl's State. The purpose of the two States is to educate the youth in the duties, privileges, rights and responsibilities of American citizenship. Outstanding boys and girls of high moral character, good sportsmanship and potential leadership tendencies were selected to attend the States meetings.

For one week the boys were assigned to "Stewart Indian School", while the girls went to Stead Air Force Base.

While at Girl's and Boys' States the delegates received intensive training on the way our government in Nevada functions.

Exploring Our Waterways

Earning additional funds necessary to provide members with a summer wilderness canoe trip was the goal for members of the Canoe Club.

Sponsored by Mr. Shannon, the boys developed canoe and camping skills in preparation for their trip.

Before leaving they had to make their own three-piece laminated white ash paddles to go along with their additional canoe and all its support equipment. Writing their own training prospectus and tests for the same enabled the boys to learn of aquatic safety. While on their trip they tried to set an example for others by cleaning up and packing out all litter possible from any campsite that they visited.

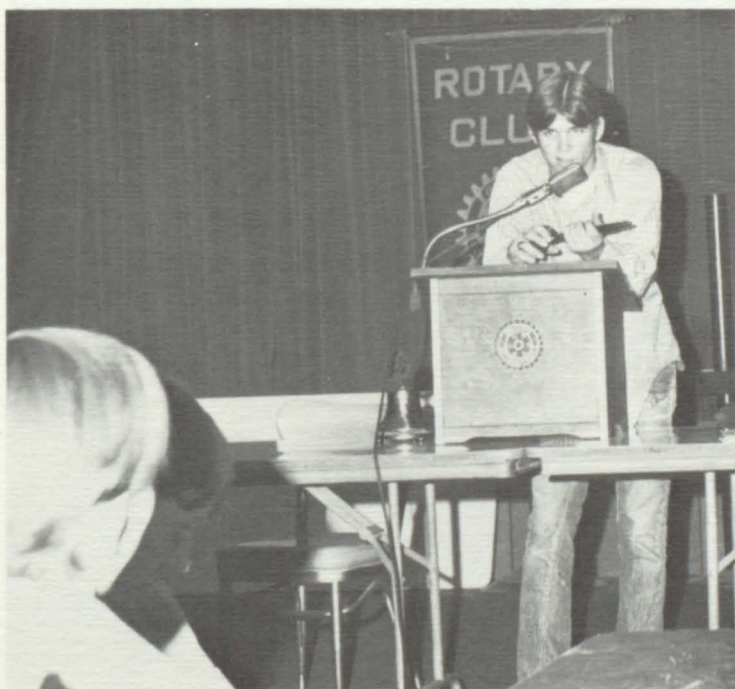

In the canoes are Jim Lambert, Paul Pfister, John Shannon, Adv.; Joe Sandri and Ron Yowell

Service to Community

Interact is a club whose main objective it to promote the general welfare of the community. Hopefully it helped its members become better citizens. It actually is a Junior Rotary Club.

At Christmas time they asked the community and students of Basic for any toys that could be reconditioned. They then took these toys and distributed them among the less fortunate children.

They sent educational materials to foreign countries and helped raise money for charity groups.

Working on their own, they raised enough money for their annual trip to California.

They Usher With Pride for Our School

Usherettes is more than just a club. Being a member gives each girl the opportunity of serving both her school and the community.

Each member took a turn ushering at the home football and basketball games where she also sold programs. The girls ushered at the school plays and the various other school functions.

Christmas was an especially nice time, because the girls visited the Day Care Center and gave the small children there a Christmas party. There were gifts, and candy and cake were served.

Best of all was the Sadie Hawkins dance given for the student body.

At the end of the year the members gave a party to announce new officers and to welcome new members to the club.

ADVISERS: Jolene Smalley, Jacqueline Anderson

Chris Owen, along with new usherettes, model old uniforms during initiation.

Pep Club Boosts Basic's Spirit

Pep Club is no longer composed of just one group of girls who sit at games and cheer. It incorporated a pom-pom marching group within its ranks.

125 girls belong to the club. These girls cheered at home and away games. They also sponsored various fund-raising activities.

The pom-pom marching group was composed of 60 girls. They practiced weekly under the direction of Miss Ryan and the Desertaires. They had their own marching uniforms and marched during the half-times of Basic's Basketball games.

ADVISER: Miss Mitchell and Mrs. Fincher

Pep Club pauses for a quiet moment after pep assembly.

Versatile Group Lends Beauty and Prestige to BHS

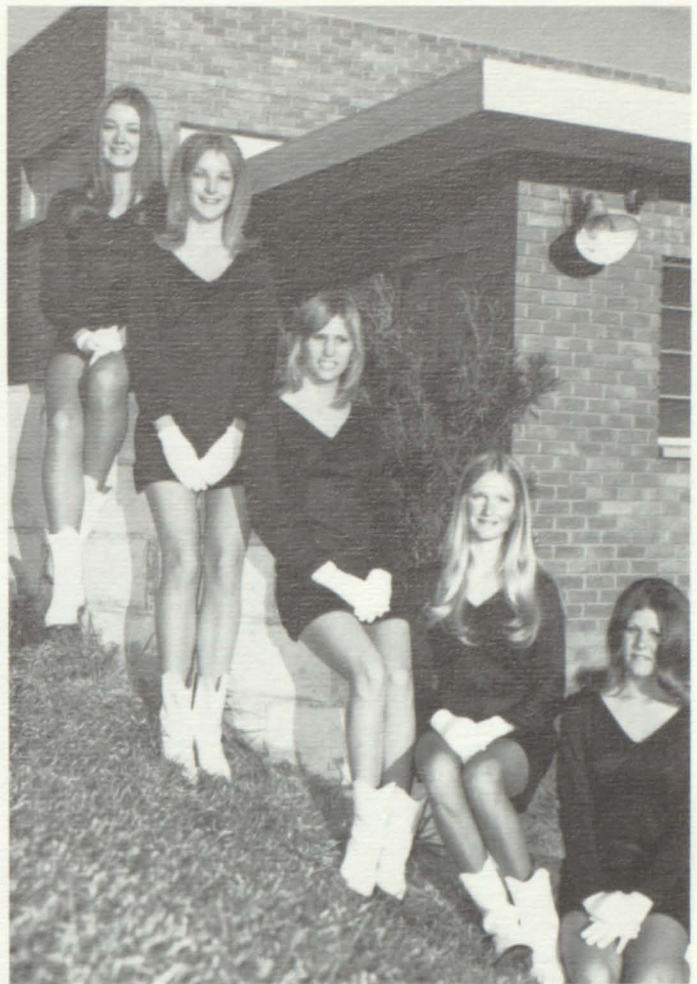

Keeping the bank budget high was easy for the Desertaires. Sponsored by Miss Ryan, the Desertaires staged various money raising projects. Car washes for dirty cars, bake sales for your sweet tooth, a Christmas Bazaar for whatever you needed, a pre-game dinner for hungry football players and a school dance for those athletically inclined.

The Desertaires performed at the Las Vegas Stadium and at a football game in St. George, Utah. During February they went to Arizona where they performed at one of the high schools.

The Desertaires said "farewell" to old friends and "hello" to new ones at their end-of-the-year banquet which was held during the month of May.

Great Voices . . . With But a Single Note

Through hard work and perseverance, Basic's four singing groups brought pleasure to the ears of the student body and the community.

The Chamber Singers performed for various community and civic organizations and also sang during Basic's homecoming football game.

Highlighting the performances of the Bel Canto Choir was its Christmas Concert, where they sang parts of Handel's *Messiah*. They sang the *Hallelujah Chorus* at the Christmas assembly.

The Girl's Glee Club was one of the biggest in Basic's history. They performed in the Fall, Christmas, and Spring concerts.

The Boy's Glee Club took part in all the concerts. They also represented Basic in the annual Clark County Vocal Music Festival.

Homecoming— Basic Forever

It all started with Homecoming Week. We decorated the halls with blue and white crepe paper and sold football pins to boost the spirit for Friday's game.

On Thursday the cheerleaders led the traditional snake dance. We all met at the City Hall and while the football team piled on the fire truck, the rest of us made a long line behind them. Arriving at the school, everyone flocked to the bleachers where the cheerleaders led us in cheers.

We played White Pine and it was our first Homecoming win in 7 years.

Saturday night the dance was held. Liberty was the band and Queen Shanna Ross was crowned to "Hail Basic High School."

It turned out to be a lot of work, but to all those involved it was well worth it.

After the coronation Shanna Ross gets a kiss from Captain Bob Anderson

A New Association for Girls—GRA

This year saw many changes in GAA. To begin with, the name of the organization was changed to Girls Recreational Association. Also, the GAA constitution was completely transformed into an up-to-date constitution fit for the new organization. One of the major changes concerning membership required that a girl must either letter in a varsity sport or participate in an intramural sport.

Despite the past year of transformation, GRA was

successful in creating recreational activities for all girls at Basic. Activities included a "tubeing day" at Mt. Charleston, a girl's night of competition, challenging all varsity team members from other high schools, swim meet and an ice-skating party.

The varsity sports throughout the year are volleyball, basketball, softball, track and field, tennis and golf.

To the dismay of the ardent Donkey Basketball fans, the Super Duper Pooper Scooper was not needed during the action-packed game between Basic's Lettermen and members of the faculty. Sponsored by the Letterman's Club, the Donkey Basketball game was one of the first events scheduled.

During the basketball season, the Lettermen formed a cheering section in the bleachers to help boost Basic's spirit. They also sold refreshments during halftime.

Fun and laughter were in store for the members of the Lettermen's Club when they had their end-of-the year banquet. It was a tasty steak barbecue.

Adding much to the school spirit are the Varsity and Junior Varsity cheerleaders. **ROW 1:** Kim Meacham, Esther Smalley, Kris Augspurger, Pat McCollum, Shanna Ross **ROW 2:** Denise Wood, Bobbie Reynolds, Lori Crunk, Suzie Welker, Debbie Falvey

Shout the Spirit

Representing Basic at a camp in Logan, Utah, the cheerleaders won numerous awards. They won three ribbons, a trophy and a spirit stick (the best of all).

They worked hard all summer long preparing for Basic's active football and basketball seasons. With the help of the spirited student body, the cheerleaders encouraged the football team on to a winning season.

Boosting Basic's spirit, the cheerleaders started a new tradition at the pep assemblies. They presented the class having the most spirit at each assembly with the spirit stick they had won while at camp. The class that won it the most times got to keep it.

When the Wolves began their football season, they had three goals: to beat Boulder City, to win their homecoming game, to have a winning season. All three goals were completed successfully. The following tells their story.

Basic's fighting Wolves started the 1971 season off right when they went to a 14-6 come-from-behind victory over arch rivals Boulder City. During the first half Basic's offense couldn't seem to get in gear and after a 43 yard drive by Boulder City, with only one minute remaining in the half, Basic went to the dressing room behind 6-0.

After a very peppy talk from coach Blockovich, Basic came back on the field and rose to the occasion by causing Boulder to fumble on the second play, giving Basic possession on the 27 yard line. Lefty Hoentsch ran five straight plays before losing possession of the 11 yard line. Boulder was held and at this point Hoentsch returned the ball 40 yards giving Basic impetus for its first touchdown.

Boulder came soaring back in the fourth period driving within Basic's ten yard line before safety, Lefty Hoentsch, intercepted the ball on the five and returned it to Basic's 30 yard line.

On the next series Boulder could pound out only one first down against a tough defense and was forced to punt. Mike Kelly took the punt and raced 20 yards to put Basic in great field position. Kevin Wheat then went five yards after which Hoentsch went 17 yards and Greg Yancey galloped 17 before a 15 yard penalty momentarily halted the drive. Then came the big play of the game in which Swackhammer dumped a short pass to Mike Kelly who eluded two tacklers in route to a 31 yard touchdown run. Bob Swackhammer then hit Stu Giles from eight yards out to wrap up the season's opener, 14-6 win over Boulder City.

In their second outing the Wolfpack didn't fare too well as a bad case of "fumble-itis" deflated all offensive efforts throughout the night. During the first quarter, Basic held its own with neither team scoring. Then

disaster struck! Basic fumbled twice in the second quarter of play paving the way for two Clark tallys before half-time.

Third quarter action wasn't any better for Basic as they fumbled the first time they received possession of the ball giving Clark its third touchdown. Clark added three more touchdowns, two on Basic fumbles before Basic could get on the scoreboard. That score came late in the fourth quarter on a look-in pass to Joe Adamson from Swackhamer. The final score was Clark 41 Basic 6.

Basic's third game of the season was a sweet victory indeed as they upset heavily favored Las Vegas 16-6.

First quarter action was scoreless as neither team's defense yielded noticeable yardage. About the only really outstanding play of the quarter came when Hoentsch "quick-kicked" to put the Wildcats on their own eight yard line.

Action in the second quarter was filled with several big plays which tallied up 16 points for Basic before the half ended. Basic had its second interception of the season as Gary Williams plucked off a Mike Yates' pass and scampered unmolested 33 yards to paydirt. Richard Gould gave a tremendous effort in blocking a Las Vegas punt which Stu Giles pounced on at the one yard line.

Kevin Wheat (34) shuts off end sweep against White Pine.

Bob Swackhamer (13) scrambles for long yardage against Clark.

Mike Tillery (81) makes a diving attempt for the ball as onrushing defenders run him over.

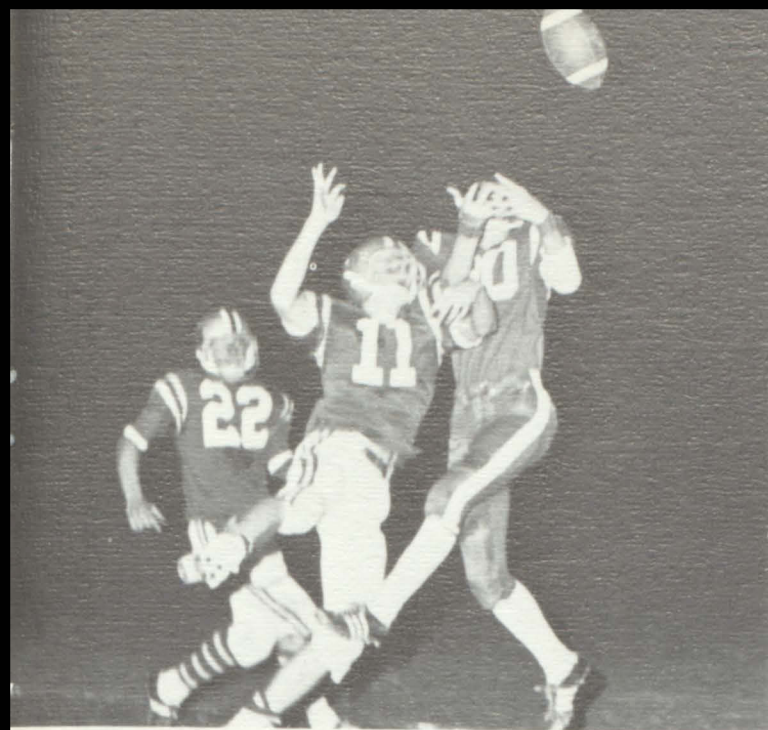

At 8:41 of the second quarter, Hoentsch ripped through the line for six more. After one incomplete pass play, Kevin Wheat lofted a 23 yard field goal to put Basic ahead at half-time 16-0.

Because of numerous infractions by both teams in the third quarter, neither could mount a sustained drive and the third quarter remained scoreless. The only Wildcat score came in the fourth period after a Las Vegas

half-back broke away for a 45 yard run. Basic got their hands on the ball and looked as though they might score again but time ran out and the final score was a 16-6 victory for the Basic Wolves.

Basic's premier showing on the road was a great disappointment as Basic lost by the narrow margin of 8-7. Basic scored the first time they received possession of the ball by driving 60 yards to paydirt. The rest of the first

half was slow moving as 40 m.p.h. winds halted all attempts to pass and caused short punts throughout the game.

Late in the third quarter, Fillmore pulled off the big play of the game by running 35 yards to a touchdown. Their two point conversion put Basic behind for the rest of the game. Late in the fourth quarter it seemed as though Basic would again score, but a 15 yard penalty,

capped by an interception, thwarted all hopes of the Wolves as Fillmore ran out the clock.

The following week Carpenteria defeated the Wolves 13-0. The game didn't go too well as the loss of full-back Lefty Hoentsch along with other injured players cost the Wolves dearly. Doing a commendable job for the Wolves were Guy Brush, Stuart Giles, Jeff Smerek, Jay Shafer, Bob Anderson and Bill Johnson.

TOP PICTURE: Lefty Hoentsch "flies" by White Pine defenders and tallies another score for Basic Wolves.

BOTTOM PICTURE: Dragging a Redman along with him, Lefty Hoentsch bulls his way for more yardage against Cedar City.

Basic shut out its first opponent of the season, by besting Cedar City 13-0. For the first quarter neither team could initiate a drive and it seemed as though the game would be a battle of defenses. Then in the second quarter Basic capitalized on a bad punt and two major penalties.

The first score came at the end of a 42 yard drive as Hoentsch plunged over the goal line. Kevin Wheat's point after touchdown was wide and Basic led 6-0. The second score came as Bob Swackhamer bootlegged around the end for nine yards and put Basic in the lead 12-0. The P.A.T. was good, making the score 13-0.

During the second half there was plenty of action but the closest anyone came to scoring was a touchdown which was called back because of an infraction by Cedar City.

In its homecoming game, Basic dumped Ely 20-6,

winning its first homecoming since 1964. Points came early for the Wolves. After the opening kickoff they drove 63 yards for six points. The P.A.T. failed and Basic led 6-0. Basic kicked off and nine plays later Ely tied the game with a 16 yard pass.

In the second quarter Basic's 65 yard drive was topped by an 11 yard run by Hoentsch. The kick for extra points failed and at half-time Basic led 12-6.

The third quarter was scoreless as each team punted several times. Then late in the fourth quarter Basic again got on the scoreboard. Mike Kelly made the touchdown, highlighting the 80 yard drive. On a fake kick Chris Ruth hit Mike Tillery in the endzone for two points making the score 20-6.

Assuring themselves of their first winning season in ten years, Basic crushed Kingman 27-10. The Wolves started the game off right as they went 49 yards in nine

plays to take the lead for the rest of the game. Later in the first quarter Kevin Wheat intercepted a pass giving Basic control on Kingman's 25. Eight plays later Basic again scored, making the tally in the first quarter 12-0.

Kingman started off the second quarter by sustaining a 53 yard drive, topped off by a two point conversion. In response, the Wolves controlled the ball the rest of the period and scored on a 28 touchdown pass to Jeff Smerek. Following the pass was a run by Hoentsch to make the half-time score Basic 20 Kingman 8.

Basic controlled the ball during the third quarter but lost possession at the start of the fourth quarter. After taking possession on their own 34, Kingman again scored and added the extra two points to narrow Basic's lead to 20-16. Then Basic mounted another drive that was topped by Kevin Wheat scoring from two yards

away. Wheat then kicked the P.A.T. making the final score Basic 27 Kingman 16.

Basic's last game of the season was a bitter disappointment as the Wolves finished their on-the-road season without a win. The first half the Wolves couldn't get moving as Morrow Bay racked up 27 points.

In the second half, although Basic held Morrow Bay to only 15 points, Basic's 27 still wasn't enough to pull out a come back and the final score was Morrow Bay 42 Basic 27.

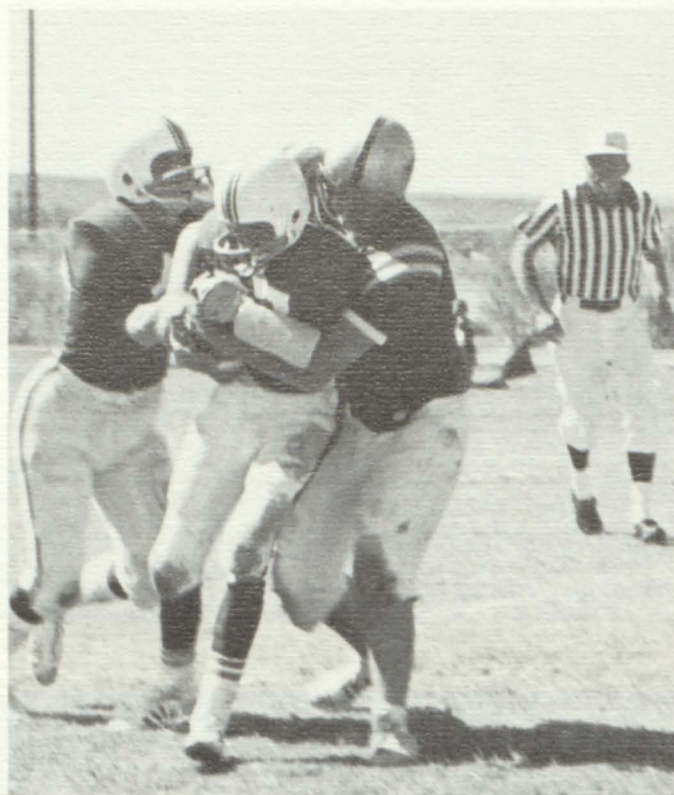

On the line Basic will loose all starters but one, Stuart Giles. Nevertheless, there are many fine juniors coming up next year to fill their places. Included is the state's leading rusher, Lefty Hoentsch, who ran 1,067 yards in eight games. The speed, skill and spunk of the returning lettermen will insure another fine season for Basic.

Soccer Team Shows Success

The 1972 Soccer Team started out with a bang. Under the direction of Coach Paul Ruth, the Wolves held Valley (Zone champs) to a 0-0 tie. Although the final record was 3 wins, 5 loses and 3 ties (with one game suspended because of fighting), Basic played a rough, aggressive brand of ball that brought out many fans.

Chris Ruth, Mike Tillery, and Jack Cochran were the outstanding players on a team that is coming into its own, playing a sport that is just now gaining recognition.

Geneva Evans stretches high for a lay-up and two points as Indian Springs helplessly looks on.

Softball— Girl's Version of Great American Sport

GRA SOFTBALL ROW 1: Chris Hoentsch, Diane Fuller, Jean Schmit, Geneva Evans
ROW 2: Lola Hoskins, Sandy Pare, Lleeann Love, Barbara Swackhamer, Renee Brown
ROW 3: Patty Brady, Roberta Williams, Kathy Reid, Stacey Groshan.

Chris Hoentsch smiles with typical catcher's delight when Jean Schmit swings—and misses.

Stealing in from first, Renee Brown beats the throw and slides in under the glove of Geneva Evans.

GRA Track—Hard Running Sport

Linda Fansher, Jean Reid, Jenny Peebles and Linda James demonstrate a blazing start for the 50-yard dash.

Linda Fansher flies through the air as she tries for more length in the long jump.

GRA Track **ROW 1:** Nora Pilon, Jenny Peebles, Ruby Turner, Milly Arbos **ROW 2:** Kim Harless, Linda James, Diana Carter, Sandy Giles, Linda Fansher, Vicky Clark, Barbara Sparks.

ADVERTISEMENTS

Through the years the newest fads and best merchandise are offered by the local merchants. Their goal is to serve each student's needs and wishes as he moves towards his dream of tomorrow's world.

The Most Unique Resort Hotel in the World!

... above all in Las Vegas, the Landmark Hotel, 31 stories above the Las Vegas "Strip." From the top, Las Vegas spreads out beneath you ... in all directions. Glittering lights at night, and a bright sunlit city sheltered by mountains during the day. ... 524 rooms and suites in a Tower or Garden accommodation — great entertainment in 2 exciting showrooms — dining in 4 lavish restaurants — dancing in the fabulous skybar — Nevada's longest swimming pool, complete with waterfalls, bridges and an island bar ... no wonder the Landmark is called the most unique resort hotel in the world.

GOING PLACES?

Then, you need State Farm's new "GO" Insurance for extra short-term protection for yourself, your family, your personal possessions. Protection in case of loss, personal injury . . . even accidental death. Protection on the go, on the spot, on the way back . . . anywhere in the world. ☐ Low cost protection too, because you buy it only for the time you need it — from 1 day to 6 months. New "GO" Insurance from State Farm can be arranged instantly. See me before you go.

Dreams

Hold fast to dreams
For if dreams die
Life is a broken-winged bird
That cannot fly.

Hold fast to dreams
For when dreams go
Life is a barren field
Frozen with snow.

Langston Hughes
Permission granted by
Alfred A. Knopf, Inc.

Let a dream hold you. This was the theme carried throughout the El Lobo. The many dreams of what you were able to accomplish in education and activities have become realities and may be relived and remembered through each page of this fine production. It is your yearbook and one of which you can be proud.

As you thumb through the El Lobo, perhaps you will begin to formulate new goals and dreams for the future based upon the past year's experiences. Whatever the dreams may be, let them hold you and never let them go.

I would like to take this opportunity to thank everyone who has made the 1972 edition of the El Lobo a reality:

Warren Frank for designing our attractive cover.

John Shannon and George Barker who dedicated many hours taking photographs for the El Lobo.

The businessmen of Clark County for their financial patronage.

Sanchez Studios for their many beautiful pictures.

Marc Rose and Kurt Segler for devoting many unselfish hours taking and printing photographs.

The faculty for their patience and cooperation, especially with our disrupting picture schedules.

The entire El Lobo Staff for their time and effort spent on this fine book.

And last but not least, I would like to extend a very special thank you to our Adviser, Mrs. Verdena Purcell, for without her guidance this book could never have become a reality.

Sincerely,

Deborah Murdoch

Editor, El Lobo
